

Work History of the Tuscarora Property

Year	Company	Work
2018	American Pacific Mining Corp.	RC/ Diamond Drilling (16 holes, 10310 feet)
2016	Novo Resources	RC Drilling (10 holes, 4775 feet)
2014	Nevada Eagle LLC and Ulm, West Incorporated (purchased by Ely Gold Minerals Inc.)	Ground lapsed and restaked
2012/13	Wolfpack Gold Corp (an agreement to combine parts of Golden Predator Mines US Inc. and	Permitting and reclamation
2010/11	Golden Predator Mines US Inc.	Reclamation Work
2009	Golden Predator Mines US Inc.	Permitting and reclamation
2008	Golden Predator Mines US Inc.	Permitting
2008	Canyon Resources Ltd	Aerial Photography
2007	Canyon Resources Ltd	Geophysics?
2006	Canyon Resources Ltd (aka CR Nevada Corporation)	Acquisition of Property
2005	Terraco Gold Corp	4 RC holes (2,920 feet)
2003	Terraco Gold Corp	Zonge Geophysics CSAMT Survey
2002	Franco Nevada Mining Corp (^{'00} JV with Euro-Nevada Mining Corp. Inc.) aka Midas Joint Venture	Drilling, Newmont Geophysics (?)
2001	Franco Nevada Mining Corp (^{'00} JV with Euro-Nevada Mining Corp. Inc.) aka Midas Joint Venture	Permitting (Plan of Operation)
2000	Franco Nevada Mining Corp (^{'00} JV with Euro-Nevada Mining Corp. Inc.) aka Midas Joint Venture	Internal Estimation, Zonge Geophysics
2000	Newcrest Resources Inc (^{'99} JV with Euro-Nevada Mining Corp. Inc.) aka Midas Joint Venture	RC Drilling (27,000 ft); some core)
1999	Newcrest Resources Inc (^{'99} JV with Euro-Nevada Mining Corp. Inc.) aka Midas Joint Venture	
1998	Newcrest Resources Inc	
1997	Newcrest Resources Inc	RC Drilling (1800 feet); petrography
1996	Newcrest Resources Inc	Mapping, RC drilling (12,000 feet)
1995	Newcrest Resources Inc	Compilation and targeting, drilling
1992	Battle Mountain	western part of District
1991	Corona	Silverado Prospect, Great Basin Geophysics
1989-1991	Chevron and Horizon Gold Corporation	Dexter Open Pit Mined. Adjacent ground from that time is now part of American Pacific's Tuscarora Property. Production summarized by Crawford (1992) from Nevada Department of Taxation records indicated Horizon produced 39,976 ounces of gold and 254,660 ounces of silver from the Dexter Open Pit between 1989-1991.
1988	Alma American Mining (Dexter Mine only?)	Drilling
1986-1989	Jedediah Minerals Company & Cruson and Panze Geologists	District wide, including Modoc Hill and Battle Mountain areas.
1984	Northern Dynasty	Kings Prospect area and western part of District
1983	Hecla	Silica Prospect
1983-1984	Shell Oil	District wide
1981	Duval	Modoc Hill area
1970	The Condor Corporation	Dexter RC and Air Rig Drilling
1968	Standard Magnesia	old Dexter Mine area, adjacent to Tuscarora Property
1968	Eklund Drilling	Kings Prospect Area
1967	Cyprus Minerals	Kings Prospect Area
1930's	Various Operators	Various
